## Cx7x ATEX

### ACCESSORY GUIDE

- Unless otherwise indicated all accessories support the Cx7x ATEX mobile computer.
- Only  marked accessories are qualified for use inside hazardous areas.
- Blue marked part numbers are related to Intermec price guide, black marked part numbers to ecom.

FLEX DOCK COMPONENTS			
	Accessory Name	Article Number	Description
	<b>FlexDock Base Desktop Cx7x ATEX</b>	A0030307 <a href="#">852-920-002</a>	Provides two bays with dedicated functionality. Bay 1: Accommodates mobile device for charging and Ethernet or modem or USB host communications, as well as USB client connectivity. Ethernet and modem communications require add-on modules listed below. Bay 2: Used for charging up to two batteries. Power supplies and country specific line cords must be ordered separately.
	<b>FlexDock Base Dual Ethernet Cx7x ATEX</b>	A0003334 <a href="#">852-919-002</a>	Provides two bays for Ethernet communications and charging individual devices and/or battery packs. Power supplies and country specific line cords must be ordered separately.
	<b>FlexDock Base Dual Charge Only Cx7x ATEX</b>	A0030308 <a href="#">852-918-002</a>	Provides two bays for charging individual devices and/or battery packs. Power supplies and country specific line cords must be ordered separately.
	<b>FlexDock Base Quad Ethernet Cx7x ATEX</b>	A0003335 <a href="#">852-917-002</a>	Provides four bays for Ethernet communications and charging individual devices and/or battery packs. Power supplies and country specific line cords must be ordered separately.
	<b>FlexDock Base Quad Charge Only Cx7x ATEX</b>	A0030309 <a href="#">852-916-002</a>	Provides four bays for charging individual devices and/or battery packs. Power supplies and country specific line cords must be ordered separately.
	<b>FlexDock Charger (12V 48W) Cx7x ATEX</b>	A0030313 <a href="#">851-095-131</a>	A 48W power supply for use with Dual Charge Only, Dual Ethernet, and Desktop Bases. Requires country specific line cord to be ordered separately.

- Unless otherwise indicated all accessories support the Cx7x ATEX mobile computer.
- Only  marked accessories are qualified for use inside hazardous areas.
- Blue marked part numbers are related to Intermec price guide, black marked part numbers to ecom.

FLEX DOCK COMPONENTS			
	Accessory Name	Article Number	Description
	<b>FlexDock Charger (12V 96W) Cx7x ATEX</b>	A0030314 <a href="#">851-064-427</a>	A 100W power supply for use with Quad Charge Only and Quad Ethernet Bases. Requires country specific line cord to be ordered separately.
	<b>FlexDock Wall Mounting Kit Cx7x ATEX</b>	A0003336 <a href="#">203-641-002</a>	Consists of one metal rack with pre-drilled holes for securing FlexDock bases and mounting to wall surface.
	<b>FlexDock Rack Mounting Kit Cx7x ATEX</b>	A0003337 <a href="#">203-945-001</a>	Consists of one metal rack with pre-drilled holes for securing FlexDock bases and for mounting vertically to uprights of standard 19" (48 cm) IT equipment rack. Includes thumb-screws and two adapters for mounting racks up to 15 degree angle for better viewability. (Standard IT rack must be ordered separately.)
	<b>FlexDock Ethernet Module Cx7x ATEX</b>	A0003368 <a href="#">871-238-001</a>	Attaches to USB Host port on FlexDock Desktop to provide Ethernet connectivity
	<b>FlexDock Modem Module Cx7x ATEX</b>	A0003338 <a href="#">871-238-002</a>	Attaches to USB Host port on FlexDock Desktop to provide analog modem communications
